The VEA Martial Arts Collaborative is a fellowship event promoting the similarities and differences of various martial art styles. Due to the nature and severity of some of the techniques being shown, it is recommended that only mature students 13 years of age and older attend. This event is open to all martial art stylists, practitioners, and enthusiasts, from beginner to the seasoned martial artist. Bare feet, matt shoes and or clean tennis shoes are allowed on the matt floor. Please bring your passion of your represented art and a willingness to learn but leave any negative egos at the door.
